

Hole Sponsorship

Thank you for your interest in sponsoring a hole for the 2022 Whānau Āwhina Plunket Charity Golf Tournament.

What you need to supply on the hole:

- **Brand presence** – you are welcome to put up flags and banners, and you are able to secure these into the ground – we just need to let the greensman know, and the golf course staff can assist with this
- **A competitive element** – offer something to teams to pay to enter a competition – this could be golf centred, or relevant to your business – this would involve providing the prize for the winning team, or player. With all donations coming back to Plunket.
- **A food or beverage offering** – this creates a great excuse to encourage players to stop and chat with you – boosting networking opportunities. If you need contacts for anyone that may be able to supply this for you, please do not hesitate to get in touch.
- **Staff to run the hole and activity** – please note if you are unable to supply staff to run your hole – speak to the team at Plunket and we can help out.

There are 18 holes available for sponsorship – these are allocated on a first come, first served basis, please see the map below to indicate where each of the holes are.

Your support and generosity means so much to the team at Plunket and helps us to continue to provide critical services to families across Aotearoa. This day wouldn't be possible without you and the support of our wonderful tournament partners.

Do not hesitate to get in touch with Jess with any queries.
